WYLD Dance Camps

Dates: August 1,3,5th

Monday-Wednesday-Friday

In these classes, students will be learning terminology and technique in Ballet, Jazz, and in the older groups Hip-Hop. It will focus heavily on correct body posture, execution of steps and technique, body and spatial awareness, as well as flexibility and strength. Students will learn how to correctly count music, find rhythms, and form rhythms in various music styles. Dancers will increase their understanding of relationships between body, mind, and movement. See below for a list of class age level, times, and tuition.
